#### **About Monitoring System of Health Infrastructure Development:**

It is an online web based application to track the progress of health infrastructure development projects going on throughout the State. The system provides the facility to monitor the progress of the civil works going in different Health Institutions of Assam. It keeps the record of various works, their approval and sanction amounts, contractor and agency details and status of the works.

#### **The modules of the System:**

- Master Entry
  - Scheme
  - Executing Agency
  - Contractor
  - Monitoring Officer
  - Key Performance Indicator
  - Architect Consultant Agency
  - Sub Soil Investigating Agency
  - ROP Approval
- Project Management
  - Project Entry
  - Project Edit

## **Monitoring System of Health Infrastructure Development**

### Welcome to Monitoring System of Health Infrastructure Development

(MSHID)

under

National Health Mission, Assam

# Monitoring System of Health Infrastructure Development

---

## How to access the system:

The menu has the following options:

Then the following modules will be seen in the form of sub menus:

### 1. **Masters:**

- 1.1: Scheme
- 1.2: Executing Agency
- 1.3: Contractor
- 1.4: Monitoring Officer
- 1.5: Key Performance Indicator
- 1.6: Architect Consultant Agency
- 1.7: Sub oil Investigation Agency

# Monitoring System of Health Infrastructure Development

---

1.8: ROP Approval

## 2. Entry Forms

2.1: Project Entry

2.2: Physical Progress

2.3: Financial Progress

## 3. Reports

3.1: Summary

3.2: Projects

3.3: ROP Approval Details

## 1. Masters

Some data is used throughout the projects. For example Scheme Name, Executing Agency etc. So it is necessary to add them once only in master pages so that we can save them in our master database. Master pages include the master data of the projects. It is one time entry form for each master data. Only authorized user can add new data, delete data and edit data.

The section has following menus:

- Scheme
- Executing Agency
- Contractor
- Monitoring Officer
- Key Performance Indicator
- Architect Consultant Agency
- Sub oil Investigation Agency
- ROP Approval

# Monitoring System of Health Infrastructure Development

The screenshot shows the web application interface for the Monitoring System of Health Infrastructure Development (MSHID). At the top, there is a header with the National Health Mission logo on the left, the text "Health Services Monitoring System" in large blue font, and "NATIONAL HEALTH MISSION ASSAM" below it. On the right is the State Emblem of India. Below the header is a blue navigation bar with "Monitoring System of Health Infrastructure Development" and a menu with "Home", "Masters", "Entry Forms", and "Reports". The main content area has a "Welcome" message on the left with a dropdown menu listing: "Scheme", "Executing Agency", "Contractor", "Monitoring Officer", "Key Performance Indicator", "Architect Consultant Agency", "Sub Soil Investigation Agency", and "ROP Approval". The year "2017-18" is displayed next to it. On the right, the date and time "Tuesday, 27 March 2018 :: 3:03:48 PM" and a "Logout" button are visible. The central text reads "Welcome to Monitoring System of Health Infrastructure Development (MSHID) under National Health Mission, Assam" with the National Health Mission logo below it.

Following are the master forms:

## 1.1 Scheme

To go to "Scheme" page, go to "Masters->Scheme". In the page, user can view schemes. If user has required authorization, he can add new "Scheme", edit scheme and delete scheme.
